Africa – Pregnant Girls, Young Mothers Denied School Education

16th June, 2019 - Tens of thousands of pregnant girls and adolescent mothers are denied their right to education across Africa, despite progress in some countries, Human Rights Watch said today to mark the African Union’s Day of the African Child. The 2019 theme focuses on children’s rights in humanitarian action in Africa.

Global – 3 in 4 Rohingya refugee babies are born in unsanitary bamboo shelters

3rd June 2019 - An estimated 75 percent of Rohingya babies are born in the unsafe and unsanitary bamboo shelters in which refugees live, based on an assessment by Save the Children. Home births in such conditions put the lives of both mother and baby at great risk.

Global – Forced to flee: Top countries refugees are coming from

24th June, 2019 - Around the world, 70.8 million people have been forcibly displaced. That’s the most since World War II, according to the U.N. Refugee Agency (UNHCR). Most people remain displaced within their home countries, but about 25.9 million people worldwide have fled to other countries as refugees. More than half of refugees are children.

Global – La FAO appelle à stopper le travail des enfants dans l’agriculture

12 juin 2019 - À l’occasion de la Journée mondiale contre le travail des enfants, la FAO a exhorté mercredi les nations à allouer davantage de ressources financières à la lutte contre le travail des enfants dans les chaînes d’approvisionnement alimentaires à l’échelle familiale et locale et dans l’agriculture de subsistance, qui représente le premier secteur de l’agriculture où le travail des enfants est majoritaire.

Global – Tackling root causes of child labour is possible, says World Vision

6th June, 2019 - It’s too easy to say tackling the root causes of child labour cannot be done. That’s the view of World Vision today after The Washington Post published a compelling insight into the harmful labour and trafficking suffered by children in the cocoa industry in West Africa.
