Forum - BC Children's Rights Forum

2019 is the 30th anniversary of the United Nations Convention on the Rights of the Child. Children's Rights in Canada are under review and the federal government's official 5th-6th report in response to the United Nations was filed in February 2019. Government's report is inadequate and does not meaningfully address the UN's 2012 recommendations to the Canadian government. The Canadian Coalition on the Rights of Children and its members (including First Call) are preparing an alternative report that will likely be submitted in 2020. As a part of this process, First Call is hosting a day-long BC Children's Rights Forum.

Date: 28th September 2019

Location: 312 Main Street, Vancouver, BC V6A 2T2
